By: TeckPak USA

## Company Profile

Producing Quality American made products for over 25 years, Teckpak is centrally located in the Midwest United States in order to better service you. Our family oriented community attracts an educated, competent, and steady workforce where new ideas flourish. Lower cost of living in the Midwest results in lower production costs enabling us to pass on savings to you. Innovation by our design staff is encouraged. Providing excellent customer service and technical assistance to the end user enables us to be Market Responsive in all our products. We offer quality Teckpak products at competitive pricing.
